Instructions for using the Junjun CMS website

CMS stands for content management system. CMS is computer software or an application that uses a database to manage all content, and it can be used when developing a website.

The following are the steps to access the Junjun CMS web via the Junjun CMS website using a browser on a computer or device another mobile that can connect to the internet.

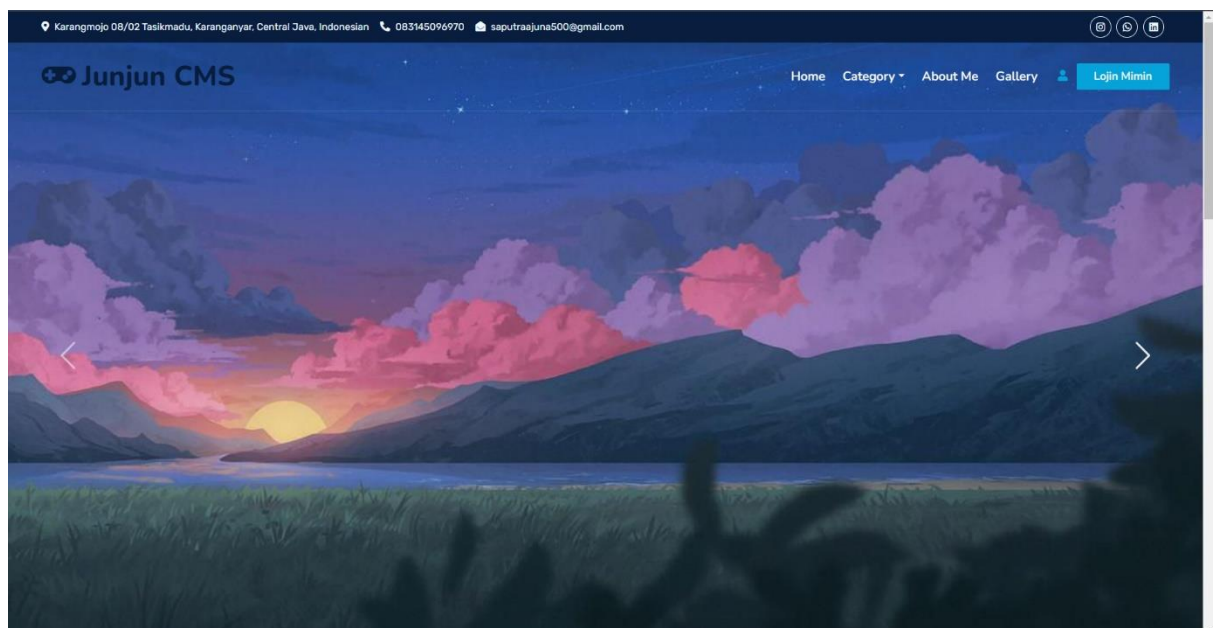

A. Go to the Junjun CMS website

- To access Junjun CMS, please open the browser application on it your computer.
- Type the url address <https://ichiroalexandra.000webhostapp.com> in the address box.

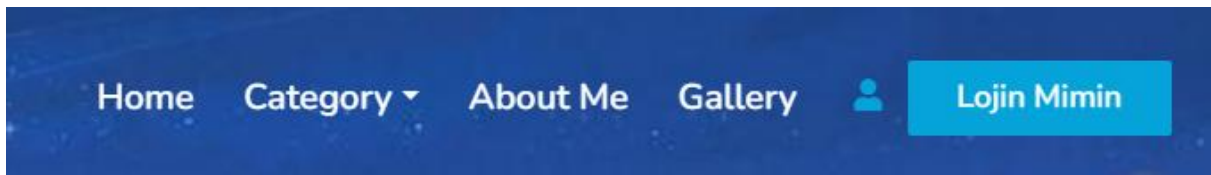

B. Junjun CMS Interface Display (Main Page)

- The initial display when opening the Junjun CMS web can be seen in the image below This.

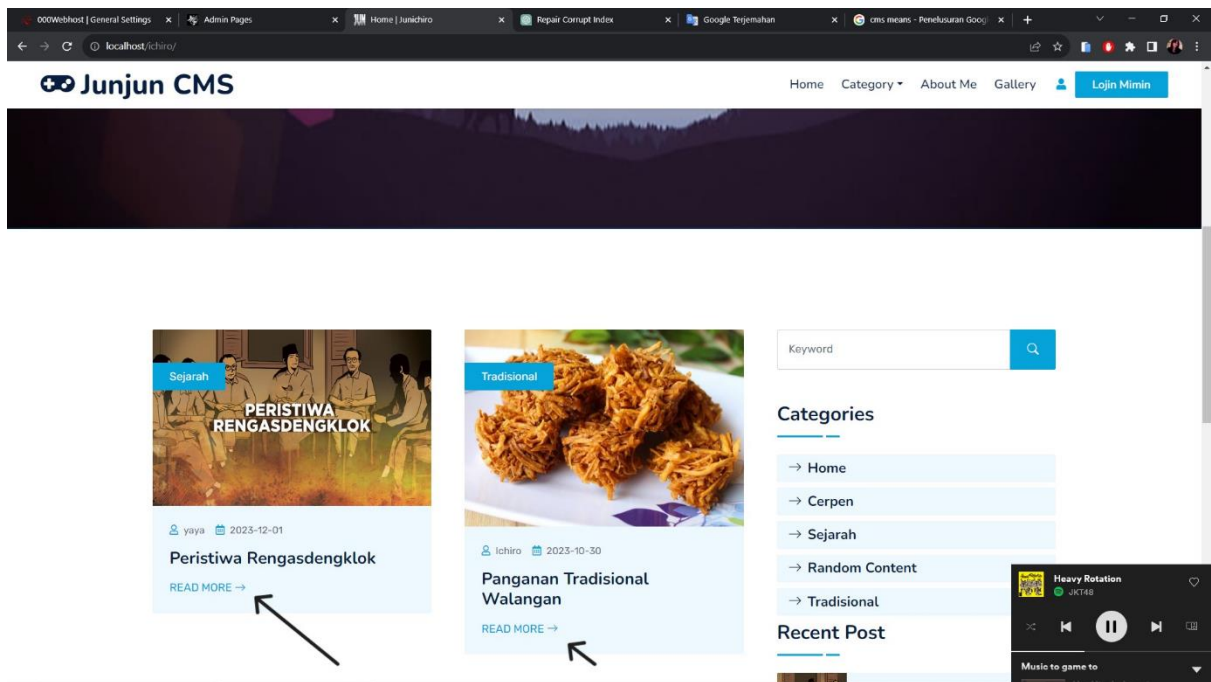

- The image above is the initial display when opening this website. On the page We can access several available menus

C. See Contents

- by scrolling down a bit until you find the content card then click read more

- then it will display detailed content as shown in the image below

Peristiwa Rengasdengklok

Sejarah Peristiwa Rengasdengklok

Awal mula peristiwa Rengasdengklok tidak terlepas dari kondisi kedudukan Jepang dalam perang Asia Pasifik mulai terdesak sekitar akhir tahun 1943. Saat kondisi terimpit itu, Jepang berusaha meraih dukungan dari rakyat Indonesia dengan memberikan janji kemerdekaan yang dikenal dengan Janji Koiso. Janji Koiso adalah pernyataan yang disampaikan Perdana Menteri Jepang Kuniaku Koiso pada 7 September 1944 dalam sidang istimewa Teikoku Henkai ke-85 di Tokyo. Namun, saat itu, janji Jepang hanya janji semata. Soekarno pun marah yang akhirnya membuat Jepang membentuk satu badan yang bertugas mempersiapkan dan merancang berdirinya negara yang merdeka dan berdaulat. Pada 26 April 1945, badan itu, Dokuritu Zyumbi Coosakai atau Badan Penyelidik Usaha Kemerdekaan Indonesia (BPUPKI), dan Panitia Persiapan Kemerdekaan Indonesia (PPKI) pada 7 Agustus 1945 dibentuk.

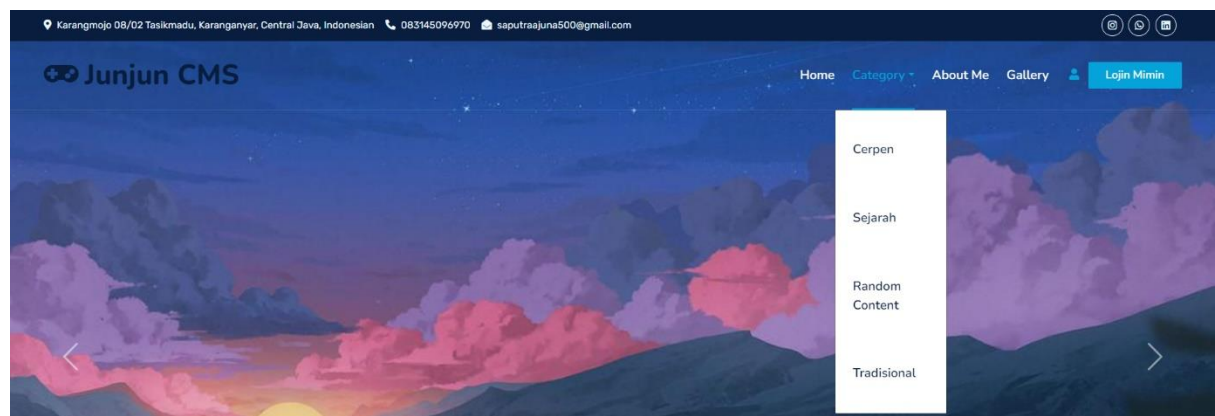

Di satu sisi, Jepang terus kalah dari tentara Sekutu. Puncaknya ketika Amerika Serikat berhasil melakukan pengeboman dua kota di Jepang yakni di Hiroshima pada 6 Agustus 1945 dan Nagasaki pada 9 Agustus 1945. Akibat dari peristiwa pengeboman tersebut, kondisi politik dan ekonomi di Jepang tentu saja melumpuh seketika. Hal tersebut akhirnya memaksa pihak Jepang menyerah tanpa syarat kepada pihak Sekutu pada 14 Agustus 1945. Dengan adanya Jepang menyerah tanpa syarat tersebut juga berpengaruh pada bangsa Indonesia berupa kekosongan kekuasaan (Indonesia sebelumnya dikuasai oleh pihak Jepang). Berita mengenai kekalahan Jepang terhadap pihak Sekutu akhirnya sampai ke telinga kalangan pemuda bangsa Indonesia di kota Bandung. Mereka mendengar berita kekalahan tersebut melalui siaran radio BBC (British Broadcasting Corporation). Golongan muda itu terdiri atas Wikana, Sukarni, Sayuti Melik, Yusuf Kunto, Iwa Kusuma, Chaerul Saleh, dan Singgih langsung menemui Soekarno dan Hatta di Jalan Pegangsaan Timur No.56.

Di sana, anak muda menunjuk Sutan Syahrir sebagai perwakilan golongan muda dengan meminta supaya Bung Karno dan Bung Hatta segera melakukan proklamasi kemerdekaan. Namun, Bung Karno tidak menyetujui ide tersebut. Beliau berpikir bahwa proklamasi Indonesia perlu dibicarakan terlebih dahulu dalam rapat PPKI.

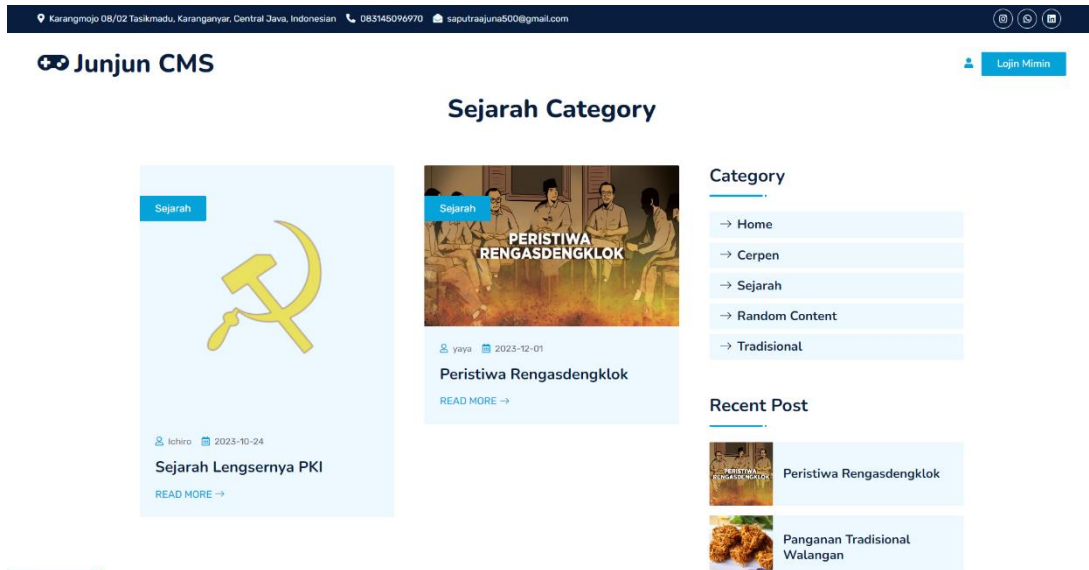

D. See Contents By Category

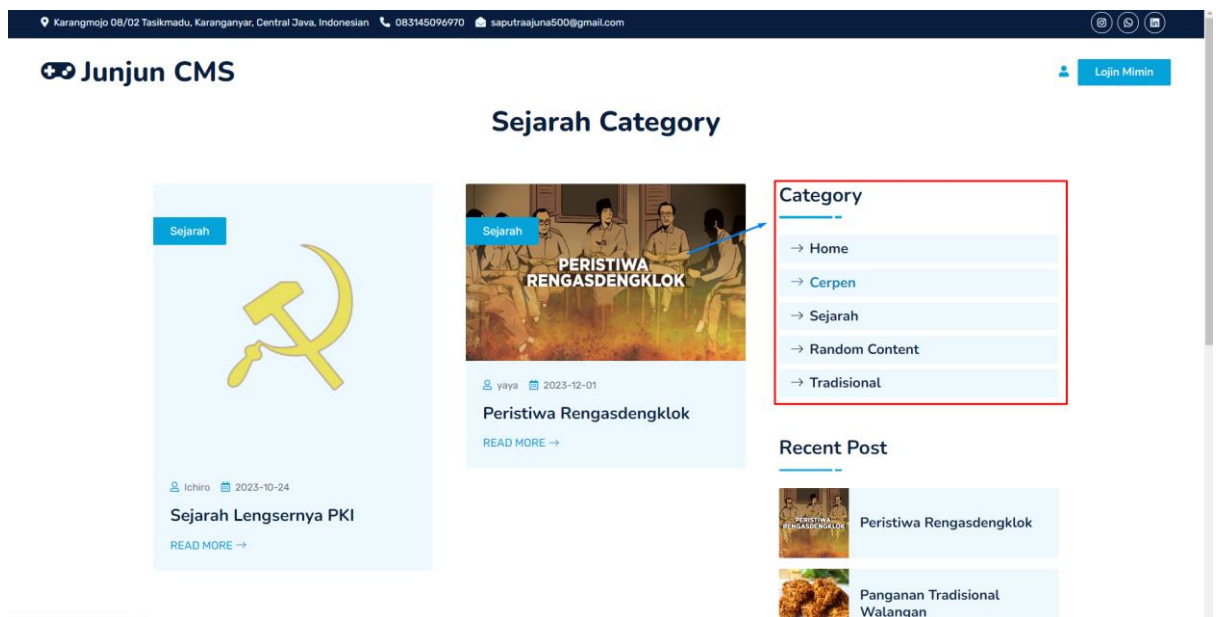

You can view content by category by pressing the category menu then selecting one of the categories you want to view as in the example below

- Select one and you will go to a page that specializes in content according to the category you chose, for example below the History Category

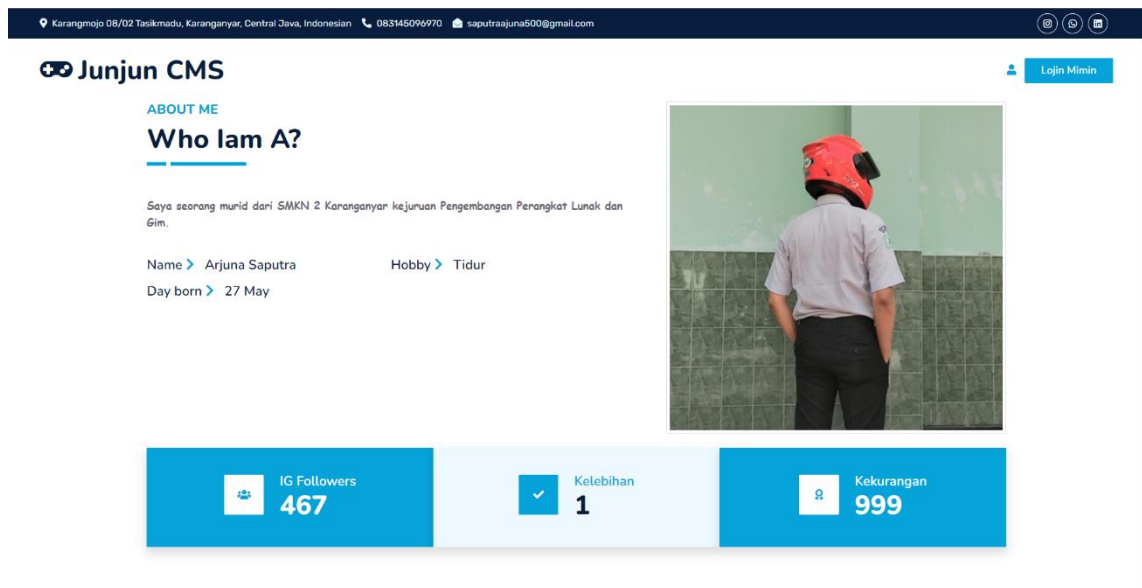

- and you can also move directly to content based on category via the quick links available on the right

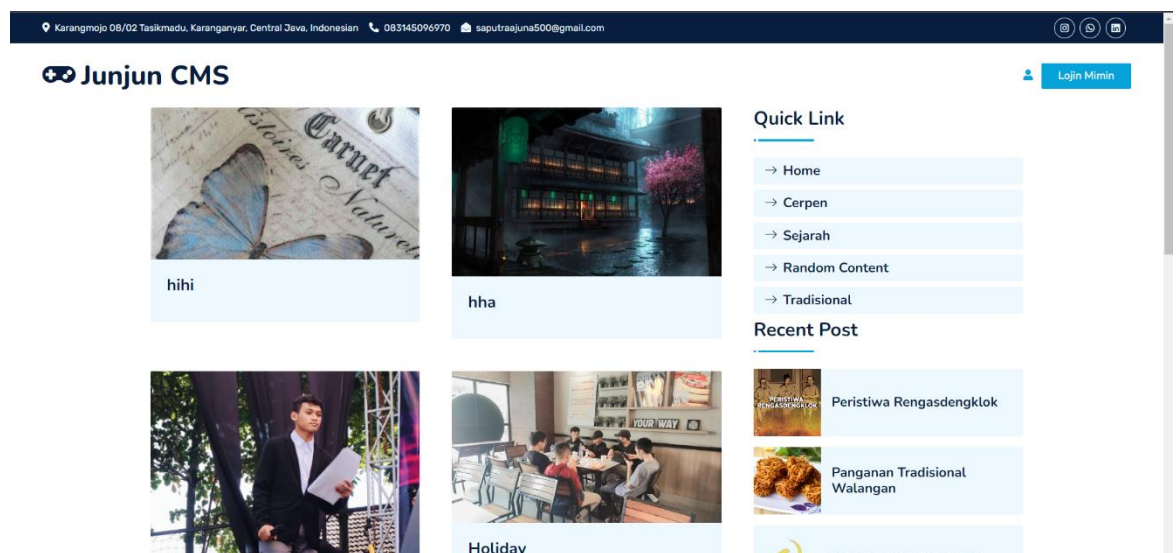

E. About me and gallery menu

- the about me section contains my personal data and my photo so that the public who visit this cms website can find out who made this website.

- then in the gallery section is a place where I upload the image image that I want as below

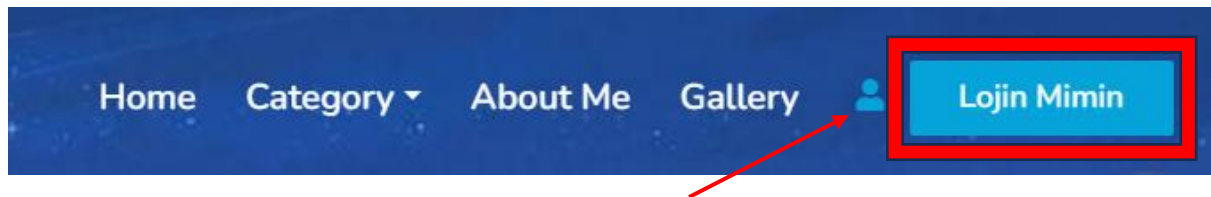

F. Feature on the admin page

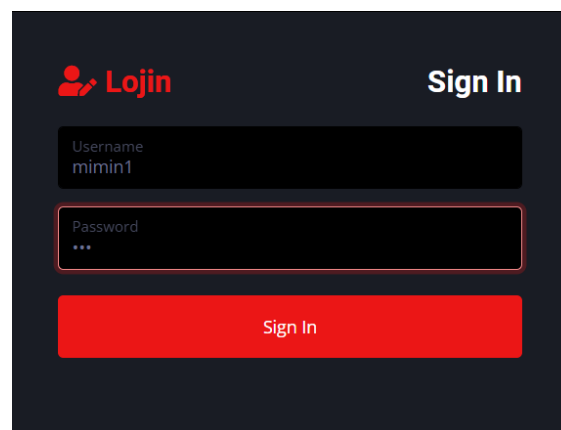

The admin page is a page where we can add content categories, content, carousels, and can also edit content, edit configuration, etc.

However, before you enter the admin page, make sure you have access to the admin page, namely an account that has admin or contributor level

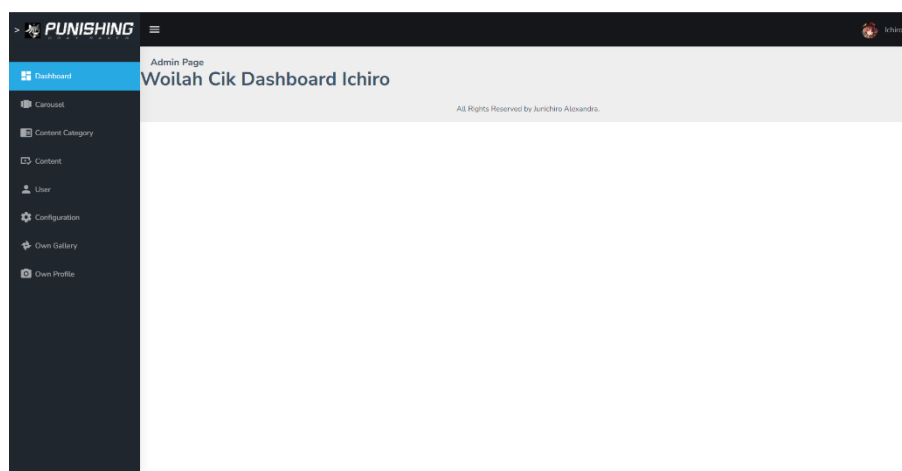

- before entering the admin page you will be instructed to log in first, how to click the "Lojin mimin" button in the upper right corner of the web

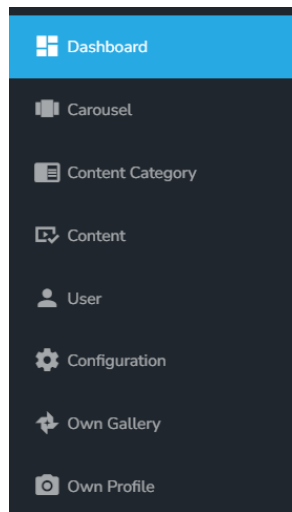

- then you must enter the correct username and password to enter the admin page.

A screenshot of a login form on a dark background. At the top left is a red user icon followed by the text 'Lojin'. At the top right is the text 'Sign In'. Below these are two input fields: 'Username' with the value 'mimin1' and 'Password' with three dots indicating a masked password. At the bottom is a large red button with the text 'Sign In'.

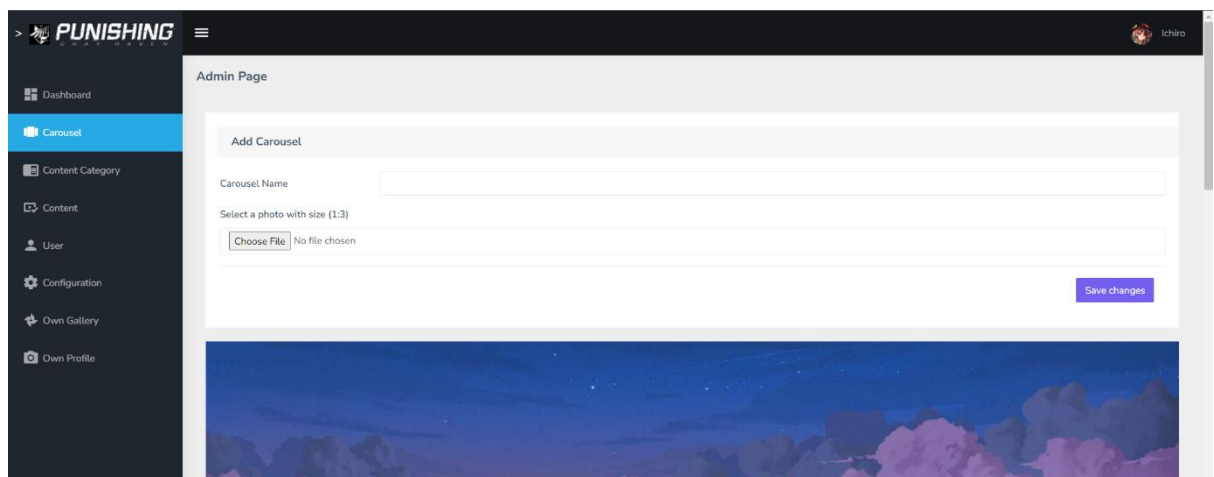

- and here's what the admin dashboard looks like

- in the sidebar there are several menus that can be accessed by the admin

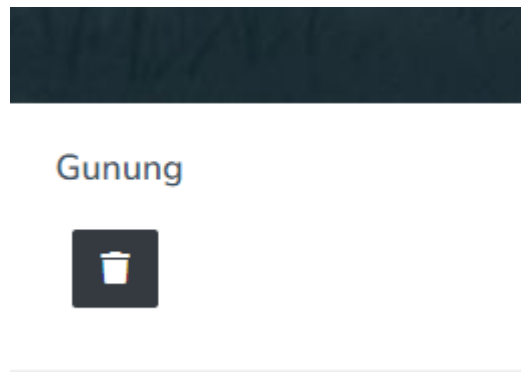

- further in the carousel menu section we can add images or delete carousel images

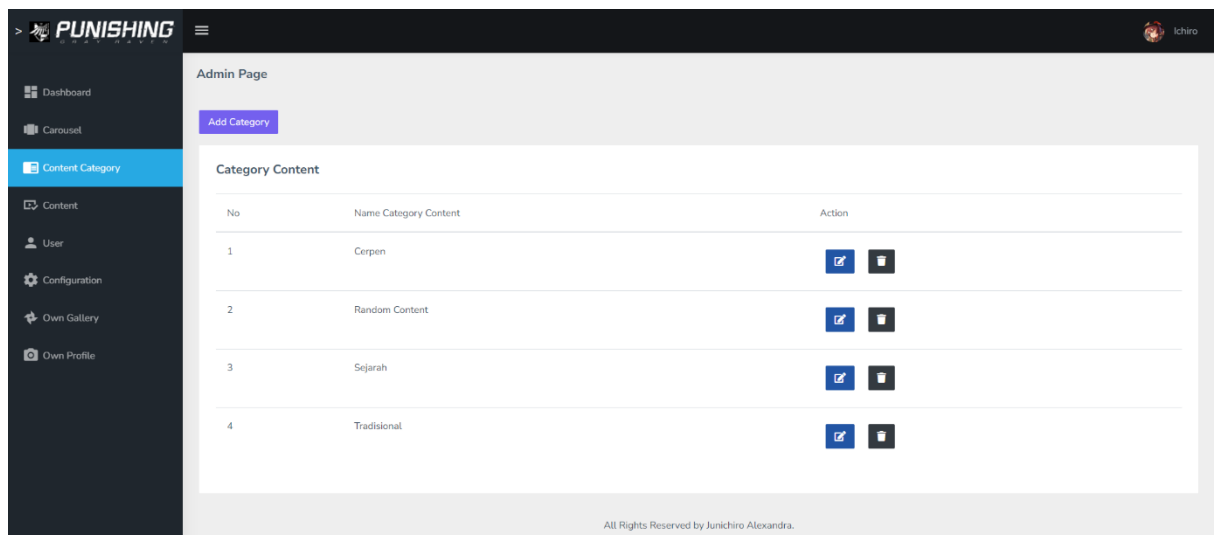

- If you want to add a photo to the carousel, just type the name and select the file to upload then click save changes.

- You can also delete carousel photos by pressing the trash can button at the bottom of the photo.

- Then proceed to the content category menu, here the admin can add categories, edit categories, and delete categories.

- To add a category, click the add category button, then fill in the fields as you wish, for example the English category then click save changes

A purple button with the text "Add Category" in white.

Add Category

Category Name

English

Close

Save changes

- for the edit button you will only enter the modal that can edit the name of the category you selected, and the delete button to delete the category you selected.
- then in the content section we can see for ourselves that there is a content table and several buttons such as add content edit content and delete content.

Add Content

Content Table						
No	Title	Content Category	Date	Creator	Photo	Action
1	Peristiwa Rengasdengklok	Sejarah	2023-12-01	yaya	See Photo	Edit Delete
2	Sejarah Lengsernya PKI	Sejarah	2023-10-24	Ichiro	See Photo	Edit Delete
3	Panganan Tradisional Walangan	Tradisional	2023-10-30	Ichiro	See Photo	Edit Delete

All Rights Reserved by Junichiro Alexandra.

- to add the content you just click the add content section then fill in the table content name, description, category, and photo, if everything is filled in just press save changes
